# THE TREKKING

When the weather is nice, our alpacas love nothing more than joining you for a casual stroll around our farm. Listen to their happy humming while you walk and take a break from the bustle of everyday life, to reconnect with the beautiful and natural Welsh countryside.

Our walks will be on uneven ground/grass with some inclines and declines. We can discuss your preference of walk when you arrive, (we try our best to cater for most walking abilities).

Please make sure you wear appropriate foot wear which is waterproof and comfortable, as we may need to walk through wet /muddy patches. The walk can take up to an hour depending on the route.

The day begins with a quick health and safety chat and guidance in holding and leading your alpaca. We'll also discuss the lifestyle of an alpaca, providing fascinating facts on what makes alpacas so unique, calming and loveable, and will try to answer any questions you may have. We will then introduce you to your alpaca, where you will be able to get to know them and take pictures if you wish.

Once you've finished your trek, the fun doesn't have to be over! We would love you to stay for a cuppa; you can feed the alpacas or even meet our small tribe of Boer Goats!

**IF YOU'RE LOOKING FOR A UNIQUE EXPERIENCE - LOOK NO FURTHER!**
